They truly live up to their Christian faith and values. It is comforting to know that such a school really exists in this fallen world that focuses on the whole child's development and not chasing dollars or a worldly agenda. The teachers and staff have gone above and beyond showing love and patience to our youngest. DCA is a beacon of life, love, and faith in Denver NC." "This is our second year for 2 kids in elementary at DCA. Could not be more pleased. Academic curriculum meets and surpasses the curriculum of neighboring public and charters. We have no doubt our kids will always be ready for the next grade level. Most importantly, the curriculum is Christian based so when taught by DCA's very qualified and tenured teachers, God is always first and the students are learning the absolute truth. Prayer and worship with the students and staff happens daily. Happy with DCA's extra-curriculars, wonderful PTE, wonder after-school program and summer camp program. Affordable tuition! DCA checks all the boxes!" "This is a really phenomenal school. From our first time contacting them, we've always felt valued and that we and our kids mattered. It's been an amazing school for our kids, and they've loved it there. I'd definitely recommend DCA to anyone." "ETA: I was told via phone by the administration that my child could not attend summer camp because he was not a student at DCA. Yet multiple kids I know personally are not attending DCA. As you can see below in their response they are covering their tracks by saying they told me the camp was full. I tried to like this school and the staff but I just couldn't. They fall incredibly short in communication and the curriculum is severely lacking. My son fell behind while attending. If you don't fit the mold, they will not like you. Not to mention they lie regarding the summer programs and who can attend them. It's expensive and cult like. Look elsewhere and do your research" "What an awesome place. A place that the teachers and staff members truly love on your kids. You will NOT get that in public schools. You will also not get the Christian taught values and moral conduct in public schools like you will at Private Christian School. ALL people are humans and make mistakes but they teach you what Jesus would do and give you and education. What better way to raise a child than this. Some people will never be happy but what this school has done with my kids we will forever be grateful."
